Changes to the *Municipal Elections Act, 1996*

The *Municipal Elections Act, 1996 (MEA)* covers administration of the election process, including but not limited to:

- Election of individuals
- Referendums or questions on the ballot
- Roles and responsibilities of the municipal clerk, municipal Council, school board, school board secretary, candidates, electors
- Rules relating to voting, voter and candidate eligibility
- Method of voting
- Campaign and campaign finance rules (i.e. Third Party Advertisers)
- Compliance, enforcement and penalties

Following the 2014 election, the Ministry of Municipal Affairs made changes to the *Municipal Elections Act* that are fully in effect for the election in 2018.

Campaign Period

NEW - The Campaign period is shortened to 13 weeks in 2018 (July 30th to October 22nd, 2018). Candidates may continue to campaign following the election until December 31, 2018. Candidates may extend their campaign period beyond December 31, 2018 by submitting an application to the City Clerk before 4:30 p.m. at City Hall.

Nomination Endorsements

NEW - Anyone wishing to run for City or Regional Council must now submit the signatures of 25 voters endorsing the nomination (Form 2). Each voter providing a signature must provide a signature declaring eligibility to vote in the City on the day the endorsement was signed.

If a candidate files a nomination then decides to run for a different office on the same Council (such as Councillor, then decides to run for Mayor), new signatures are not required. If a candidate files nomination forms for the lower tier Council and then decides to run for the upper tier Council, 25 new signatures are required.

Campaign Finances

NEW -

- Corporations and trade unions cannot contribute to municipal election campaigns (candidates) for City/Regional Council and school board elections.
- A new spending limit for post-election parties and expressions of appreciation after voting day.
- A candidate who does not accept any contributions of money, or incur any expenses, is not required to open a bank account.
- If a candidate sells items for \$25 or less to raise campaign funds, the money is considered campaign income rather than a contribution. In this case, the candidate does not have to issue a receipt or make sure that the person buying the item is eligible to make a campaign contribution.
- There is a 30-day grace period for candidates and third party advertisers who miss the deadline to file a financial statement and auditor's report, provided that the candidate or third party advertiser pays a \$500 late filing fee to the municipality.
- If a candidate or third party advertiser files their financial statement before the deadline and then discovers an error, a corrected financial statement and auditor's report can be provided up until the filing deadline.
- It is an offence to give, lend, offer, or promise someone an office or employment in order to convince a person to run for office, not to run for office, or withdraw from running for office.
- It is an offence to give, lend, offer, or promise someone money or other compensation in order to induce a person to run for office, not run for office or withdraw from running for office.

Third Party Advertising

NEW - The *Municipal Elections Act* includes new regulations policing the role of third party advertising. A third party advertisement is:

- a message in any medium (billboard, newspaper, radio, social media advertisement, etc.) that supports or opposes a candidate on the election ballot
- an advertisement message in any medium that supports or opposes a Yes/No referendum question on the ballot

It is now an offence for any third party advertiser to incur any expense on third party advertising during the restricted election period if they are not registered with the City Clerk where the advertising occurred. Third party advertising does not include advocacy, issue-based advertising, or advertising that does not cost money to post or broadcast, such as comments made on social media.

Third Party Advertiser Eligibility

NEW - Only individuals, corporations, and trade unions can register as third party advertisers and/or make contributions to third party advertisers, as they are not permitted to make contributions to candidates. **Third party advertising must be done independently of candidates, who are not able to direct a third party advertiser.**

The following are eligible to file as a third party advertiser:

- An individual who is normally a resident of Ontario
- Corporations that conduct business in Ontario
- Unions who have bargaining rights for employees in Ontario

The following are ineligible to file as a third party advertiser:

- A registered candidate of the municipal election
- A Federal political party, association, or registered candidate
- A Provincial party, association, or registered candidate
- The Crown
- A municipality or local board

Requirements

NEW -

- A contribution shall not be made to or accepted by an individual, corporation, or trade union in relation to third party advertisements that appear during an election in a municipality or made to or accepted by an individual acting under his, her, or its direction, unless the individual, corporation, or trade union is a registered third party in relation to the election in the municipality (*MEA, S.88.12(1)*)
- Third party advertisers must sign a declaration of qualification.
- **Registration period: May 1, 2018 – October 19, 2018**

For additional information please refer to the 2018 Provincial Candidates' Guide.

Voters' List

The Municipality Property Assessment Corporation (MPAC) is legislatively responsible for:

- collecting occupant information (name, date of birth, citizenship, and school support) for municipal, District Social Services Administration Boards, school board elections
- keeping up-to-date population statistics of every municipality in Ontario

MPAC uses the information to create a voters' list for the City of Port Colborne and all other municipalities. The list contains the names, addresses, and school support of each person who is qualified to vote in the City of Port Colborne.

MPAC will provide municipalities with the preliminary voters' list on September 4, 2018. The voters' list will be used for election purposes only. In efforts to protect personal information, public viewing of the voters' list will be supervised. Posting the voters' list in public places, including electronic media, is prohibited by Ontario Regulation 101/97, issued pursuant to the *Municipal Elections Act*.

Candidates are encouraged to advise eligible electors who are not on the voters' list to get their name added to the list prior to voting day to avoid line-ups and delays in the voting process. Visit www.voterlookup.ca. The City Clerk will provide a copy of the eligible electors list for a candidate's specific ward (Regional Chair and Mayor candidates will have access to the entire list).

Through September 4, 2018 to the close of voting day (October 22, 2018), a person may:

- add, delete, or correct their own information on the voters' list by completing the Application to Amend Voters' List (Form EL15)

- Those whose nomination was rejected by the Clerk

The financial statement must be filed by 2:00 p.m. March 29, 2019 with the City Clerk at City Hall during business hours. It is the responsibility of the candidate to file a complete and accurate financial statement on time.

There are two types of financial returns:

2. Audited Financial Statement - Form 4 – to be completed by those candidates whose total contributions or total expenses are more than \$10,000.

If a candidate wishes to extend their campaign period in order to eliminate a deficit, a Notice of Extension of Campaign Period - Form 6 must be filed with the City Clerk by 4:30 p.m. on December 31, 2018. In addition to the first financial statement (March 29, 2019), the candidate must also file a supplementary financial statement by the supplementary filing date (2:00 p.m. September 27, 2019). The supplementary reporting period covers the six-month period following the year of the election. There is only one supplementary campaign period.

The Clerk will advise candidates by registered mail at least 30 days before the filing deadline of all of the filing requirements of section 78(6) of the *Municipal Elections Act*. The Clerk is not required to provide additional notice for each supplementary filing date.

Candidate's financial statements are filed with the Clerk and are public documents. All statements will be posted on the election website. This means that the personal information of all donors who make a contribution of more than \$100 will be posted on the City of Port Colborne website.

A candidate must file a separate financial statement for each office nominated for during the election period.

Penalties for Non-Compliance
